LEAVING A LEGACY

A homage to our fellow brothers who have paved the way & will be dearly missed

Dear Brothers and Sisters,

As we face challenges and choices that impact our workplace and livelihoods, it's crucial that we come together and make our voices heard. Your thoughts and concerns matter immensely, and it is time to channel our collective strength into productive action.

I encourage each of you to participate in our upcoming union meetings. These forums are designed for open dialogue and collaboration, allowing us to share ideas and propose solutions that benefit all members. Together, we can identify the issues that matter most and work towards effective strategies that reflect our collective interests.

Remember, change starts with us. Let's focus on constructive discussions and unite in our efforts to advocate for fair treatment, better working conditions, and the respect we deserve. Your voice is powerful—let's use it to build a stronger union.

In solidarity,
Scott Garvin
President
