**INTERNATIONAL UNION OF BRICKLAYERS & ALLIED CRAFTWORKERS
ENDORSES ANGELA ALSOBROOKS FOR U.S. SENATE**

NEW CARROLLTON, MD – Angela Alsobrooks earned the endorsement of the International Union of Bricklayers & Allied Craftworkers (BAC) in her race to become Maryland’s next U.S. Senator.

“I’m honored to have the endorsement of the International Union of Bricklayers & Allied Craftworkers - and its dedicated members,” **said Alsobrooks**. “The hardworking men and women that make up this union are who I’m fighting for to defend our Democratic Senate majority. We must keep our Senate in Democratic control to protect our workers’ rights to organize and collective bargaining, raise wages, fight for safe working conditions, and build an economy that works for all Marylanders – all Americans – not just to get by, but to thrive.”

“With a strong record of championing workers and fighting alongside Maryland’s labor movement, we are proud to support Angela Alsobrooks in her race to become Maryland’s next Senator,” **said BAC International President Tim Driscoll**. “We know just how much is at stake in this election, we know that Maryland will play a critical role in deciding who controls the Senate, and we know we need an unabashedly pro-worker Senate to protect and fight for working families across our country. With Angela Alsobrooks as the 51st vote in our Senate, together we will build and unite America.”

“Angela Alsobrooks has always been a strong supporter of union construction during her time in office,” **said Scott Garvin, President of BAC Local 1 Maryland / District of Columbia / Virginia.** “She has worked to secure project labor agreements (PLAs) for major projects in Prince George’s County, understanding the value of local workers building their own community. She will be a defender of workers’ rights when in the U.S. Senate.”

Angela has also earned endorsements from Ironworkers Local 5, AFGE, ATU Local 689, Teamsters Local 639 and Joint Council 55, International Association of Machinists and Aerospace Workers, and IBEW Local Union 1900 and 70.
